1. Leave granted.
2. The present batch of appeals is in connection with grant of appointment under the Odisha Civil Services Rehabilitation Assistance Rules prevalent in the state, and against an order dated 27.06.2023. The High Court of Orissa, Cuttack by the impugned judgment vide paragraphs 84, 85, 86 and 87 directed as under: -

"84. In view of the above decision, we are of the view that the application for the petitioners shall be considered under the Odisha Civil Services (Rehabilitation Assistance) Rules, 1990 in as much as on scrutiny, it is found that all the applications were filed before 17.02.2020 and the delay in considering the applications in time is entirely attributable to the opposite parties. Such exercise shall be completed within a period of three months from the day when a copy of the judgment/order shall be placed before the opposite parties by the petitioners.

85. That apart, while dealing with the applications in which the petitioners have sought the rehabilitation assistance/appointment against a direct payment/GIA Rules at the Government aided educational institution, the applicability of the rehabilitation scheme in those institutions shall be separately determined by the opposite parties on the basis of the policy of the

Government as discussed by us. If it is found that the Odisha Civil Services (Rehabilitation Assistance) Rules, 1990 was applicable on the date of death of the deceased employee, the petitioner shall be considered for rehabilitation assistance/appointment. So far as the retrospective operation of the rehabilitation assistance/appointment is concerned, this Court cannot direct the opposite parties to give the appointment retrospectively under the Rehabilitation Assistance/ Appointment Scheme in as much as it is no more res integra, the petitioner does not have any vested right of appointment under such rehabilitation assistance/appointment scheme. They are only entitled to be considered under the scheme for that purpose.

86. Consequently, the opposite parties shall consider the applications of the petitioners under the Odisha Civil Services (Rehabilitation Assistance) Rules, 1990 read with the relevant policy extending such scheme to the Government aided educational institutions at the relevant time of the death of the deceased employee for the purpose of the rehabilitation assistance/appointment within the time as prescribed above.

87. The orders passed by the opposite parties rejecting the applications for rehabilitation assistance/appointment in case of some of the petitioners are quashed."

3. In the facts, the short question which falls for our consideration is whether directions issued by the High Court in the order impugned warrants interference in view

of the Odisha Civil Services (Rehabilitation Assistance) Rules, 2020?

4. In the present case, respondents have filed writ petitions seeking appointment on compassionate ground under the Odisha Civil Service (Rehabilitation Assistance) Rules, 1990 (for short '1990 rules'). The notification dated 13th September 1990 was issued in exercise of powers conferred by the proviso to Article 309 of the Constitution of India and the State Government through Governor made the 1990 rules to regulate recruitment to the state civil services and posts as a measure of rehabilitation assistance. The said rules were made applicable to the member of the family as specified in rule 2(b). As per rule 8, application was required to be made in Form A to the appointing authority under whom the deceased government servant had last worked. As prescribed in 1990 rules, on receiving application, the report has to be requisitioned from the Collector of the district to ascertain whether the family is in financial distress. On receipt of the report, the appointing

authority shall issue an order of appointment if the report is in favour, on the available vacancy. The appointment as specified therein shall be subject to rule 9 of the said rules.

5. In the year 2016, the 1990 rules were amended substituting rule 8. Thereafter, on 17th February 2020, Odisha Civil Services (Rehabilitation Assistance) Rules, 2020 (for short '2020 rules') were notified substituting the 1990 rules. Rule 6 thereof prescribes mode of appointment and the process to be followed for appointment as specified in rule 6(9) whereby it was made clear that the pending cases as on the date of publication of these rules shall be dealt with in accordance with provision of 2020 rules.

6. Being aggrieved by the correspondence made by the department to deal with the application of rehabilitation assistance in accordance with 2020 rules in the cases where employees have died during subsistence of 1990 rules, writ petitions were filed which were disposed with the directions as referred above. The High Court made it

clear that the date of death of the deceased employee would be relevant factor and the case of the respondents shall be considered applying the 1990 rules and not as per 2020 rules. It was also made clear that respondents would not be entitled to claim appointments retrospectively.

7. Being aggrieved these appeals were preferred by the State, challenging the directions, wherein after issuance of notice and grant of stay, during hearing the State Government through the Advocate General gave an assurance regarding formulation of a new policy with the intent to provide benefit to the respondents as directed by the High Court under the rules prevalent at the time of death of the employee. Learned Advocate General has produced the amendment rules which were notified on 04.04.2025, issued by the General Administration & Public Grievance Department of the State of Odisha amending sub-rule (9) of Rule 6 of 2020 rules.

8. In view of the assurance given by the learned Advocate General for the State of Odisha, this Court in

this proceeding dated 21.04.2025 issued the following directions: -
